Money's trailers:

At the present Money has 7 trailers, 6 of them are registered – he plans on at least 10

** Talked with Stuffy Beard, all trailers have a meter

A treatment plan has been put in (by Claude Fluker)

** Talked with Bill Carson Health Dept., Winona and the treatment plant was approved by his District boss.

Claude and Terry Herbert came to the office and talked about garbage collection since these trailers are in the city limits, not county. A truck has to pull in a straight road and back out.

** Talked with Waste Management

They have no problem with picking up garbage and will bring us cans.

** Talked with Money

Money has agreed for us to bill him for the cans, however many, and he will pay and collect from them, 13.00 per trailer. This will start May 2
